All the students who will appear for the TEST SERIES FORUM'S ONLINE MOCK TEST will receive the student code/ user ID and password through our approval email .Follow the steps given below:

1) Visit our website and log in

2) Type the student code/ user ID and password. This will lead to the Student's account page.

3) Click on "Give OTHER exam".

4) Select "Subject" and proper exam for your class from the drop-down list.

DO NOT SELECT any of the options in "Chapter" or " Faculty".

5) After this the exam details page will come up showing the "Attend exam" button.

6) Click on "Attend exam" and start your exam.

7) Each question will have 4 options/answers. Select the correct answer by clicking on the check box beside each option.

8)After you complete each question click on "submit answer" button.

9)If you're unsure about any question click on the "next" button and you can revert back to the question in doubt by clicking on the "back" button. But your answer will not be approved until you click on "submit answer " button. After the completion of all questions click on "complete examination" button. Kindly ensure that you click on the "complete examination" button or else your exam will remain incomplete. Finally you must log out at the end of the examination.
